Dave,

I am sure that will be OK, the comments are done with review and on the Chair's desk for signature today. Just let me know when you expect to send it out so I can notify Ginny and to make sure the distribution is coordinated. To make it easier, I have attached a word version. I would love any comments, edits or corrections ya'll might have.

Thanks Dietrick!

Would it be o.k. if I forward these to CB&I / APTIM to prepare a compendium of all comments received?

Pleas let me know, thanks,

Dave

These are the comments we are sending over for both Tribes. I look forward to our discussion regarding this draft version.
